## Internship – Business Development, Marketing, Sales Operations

Interactive Real Estate

Inreal is currently seeking a Business Development & Sales Operations Intern in our New York City office. Current second year graduate students and outstanding senior students pursuing a bachelor's degree in Finance, Business, or Economics who have the flexibility to work 15-20 hours per week through the semester are encouraged to apply.

### The primary duties and responsibilities of the internship include but are not limited to:

- Conduct research on potential clients and triangulate relationships with the firm's network
- Support the Head of Business Development US by preparing meeting materials and organizing meeting agendas in advance of meetings
- Support the department by maintaining contact and business/pipeline opportunities in the firm's CRM system and help maintain and reconcile database information/contact data across various systems
- Work with departments and internal teams to compile, analyze and disseminate firm data and information to both internal and external parties
- Establish effective working relationships with colleagues and external contacts
- Assist with social media marketing and management
- Occasionally may represent Inreal at events with the team

### Desired Qualifications:

- A minimum of 2 years of work experience are encouraged to apply. Applicable internship experience may be combined and counted towards the requirement
- Ability to work a minimum of 15-20 hours per week
- Current second year graduate students and outstanding senior students pursuing a bachelor's degree in Finance, Business, or Economics
- Genuine interest in both Technology and Real Estate
- Humble, positive, professional attitude, reliable
- Proficient in Excel, Word, PowerPoint, Outlook
- Excellent interpersonal, oral and written communication skills
- Exceptional organization skills and attention to detail
- Illustrates discretion and good judgment in handling sensitive and confidential information
- English language is required. Ability to speak German is a plus but not mandatory
- Permanent US Work Authorization required

### Compensation:

We are seeking a candidate who can and is willing to learn during the internship and grow with the company following the internship as a full-time employee. Inreal Technologies is proud to be an Equal Employment Opportunity employer. We do not discriminate based upon race, religion, color, national origin, gender, sexual orientation, gender identity, age, status as a protected veteran, status as an individual with a disability, or other applicable legally protected characteristics.

When *submitting* your application, please include responses to the following questions in a separate PDF file.

Each response should contain a maximum of 150 words:

- Who do you look up to and why? (Entrepreneurs? Business Leaders? Family Members? Fictional Characters?)
- Why are you interested in joining the Inreal team?
- What do you normally do during the day?
